## League Sponsors – 2023/2024

August 20, 2023

Dear Potential Sponsor,

We are excited to offer sponsor opportunities this upcoming season with Branford Youth Basketball, which is a nonprofit organization supporting 350-400 athletes in our recreation and travel programs each season. Each year, Branford Youth Basketball faces rising costs for our expenses, such as facilities, uniforms, tournaments, referees, and insurance. Branford Youth Basketball is not a component of the Town of Branford and does not receive any operating funds from the town, as a nonprofit 501(c) (3) organization, we receive no public funding, player participant registration fees are the primary source of revenue.

Although there are increasing costs, we would like to expand our policy of participation scholarships for the economically challenged. We will **NEVER** turn down a child that wants to participate in basketball.

We thank all those for supporting the young athletes of our community. Without your support, there would be no youth sports. If there are any questions about our programs, please feel free to contact us and we would be happy to answer any questions.

Kindest regards,

*Kevin & Mark*
