INSTRUCTIONS

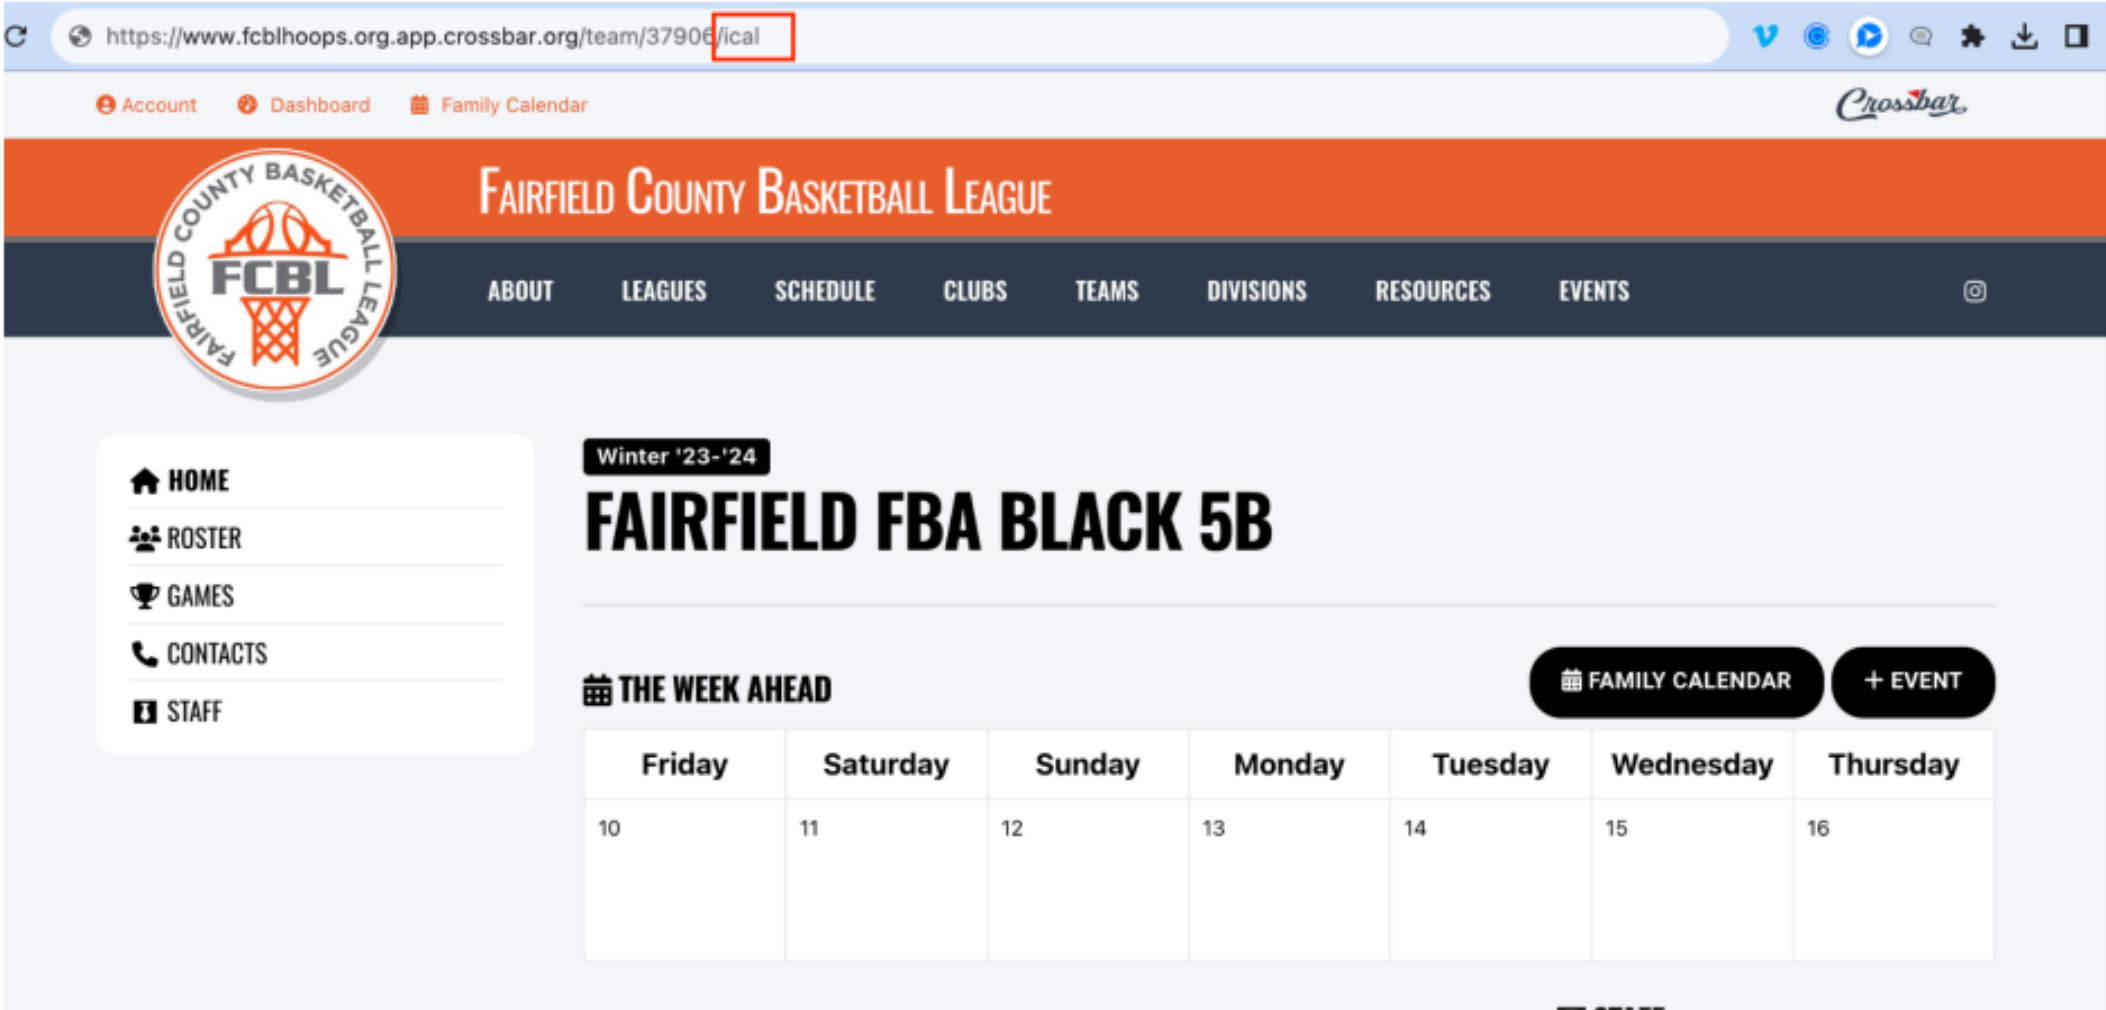

Here are the steps on how to sync your teams games with your iPhone's Calendar App.

Don't have an iPhone? See our instructions for Android / Google/ Microsoft Phone Calendar steps.

1. You'll first navigate to your team page by choosing "Teams" in the site navigation and clicking on your team:

2.Next, add the letters /ical to the end of the URL as shown in the image below.

3. Then on your iPhone, click on the calendar app, at the bottom click **Calendars**, then click **Add Calendar**, then click **Add Subscription Calendar**, then **paste in your teams link** that you copied from above.

In the example above it would be <https://www.fcblhoops.org.app.crossbar.org/team/37906/ical> Then click **Subscribe**.
